Notes

Not all clubs able to provide players, Committee members participated.

Result was win for Stevenage, 3-1.

Unusual for one league to pay all items initially but not a problem.

(Marshall Trophy is now 6-4 in SBL favour, since 2001 with 'incorrect' engraving in 2005.)

Usual Marshall Trophy basis is for leagues to share organisation and costs.

*As above, total £219.76 = **£109.88** each league.*

*(2009 - total £252.56 = **£126.28** each league.)*

Therefore Letchworth league due to reimburse SBL £109.88
