Notes

*New format - 3 mixed pairs from each league in 4 groups.
 (6 pairs in each group = 48 players in total) with each pair playing 3 pairs
 from the 'other league' in their group. Each pair played 3 rubbers of 2 games only -
 making 18 games in each of the 4 groups and 72 games overall during the afternoon.
 Agreed that a draw was possible of 36 games each.*

The result was 42 - 30 in favour of Letchworth.

***As usual all winning league (Letchworth) representatives received 'Gold' medals and
 runners-up (Stevenage) representatives 'Silver' medals.***

(Marshall Trophy is now 6-5 in SBL favour, since 2001 with 'incorrect' engraving in 2005.)

Usual Marshall Trophy basis is for leagues to share organisation and costs.

*As above, total £133.40 = **£66.70** each league.*

*(2010 total £219.76 = **£109.88** each league.)*

Therefore Stevenage league due to reimburse L&DBL £19.70.

*(Reconciliation: Letchworth £86.40 - £19.70 = £66.70;
 Stevenage £47.00 + £19.70 = £66.70)*
