Notes

*Format was back to asking all league clubs for a representative notwithstanding Letchworth with 16 teams in 2 divisions and Stevenage 28 teams in 4 divisions. Successful 'equal team selections' proven for D1, D2 and D3 as ALL 3 MATCHES DRAWN. D4 was more difficult with Letchworth having some club players who were not regular match players; as it happened on the day it was a more uneven contest. (Likely more even number of league teams in 2010.) (Marshall Trophy is now 5-4 in SBL favour, since 2001 with 'incorrect' engraving in 2005.) Usual Marshall Trophy basis is for leagues to share organisation and costs. As above, total £252.56 = **£126.28** each league.*

*Letchworth owed £155.20 - £126.28 = **£28.92 (to be reimbursed June 2009)***

*(X- CHECK: SBL costs £87.36 + £10 = **£97.36 + £28.92 = £126.28;***

*Letchworth costs £155.20 - £28.92 = **£126.28.**)*
