**Notes:** Change from recent barn dances as expenses had been high with venue and band costs. Cheaper venue meant more of a chance of a profit and 'fun games' as suggested by BG agreed by SBL and L&DBL reps who were then responsible for a number of games throughout the evening. Agreed a good night of entertainment notwithstanding a low turnout - in fact lowest number of paying attendees. All 9 committee members attended and assisted in making the evening go very well and 11 tables/67 participants was near maximum for the venue.
